**Letter of Support for
WIUX-LP's Petition for Reconsideration on Docket 06-77**

Dear FCC,

I would like to express my opposition to the FCC's policy of giving lower priority to Low Power radio stations. Apart from being unfair, retaining the power to remove a local radio station from the airwaves to make room for commercial broadcast has a chilling effect on the right to free speech.

Low Power stations, Bloomington Indiana's WIUX in particular, serve a valuable purpose to the communities in which they broadcast, and local programming, whether Low Power or Class A, should have an equal right to continue to broadcast.

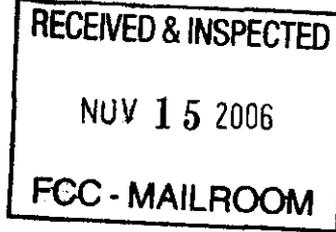

Sincerely,

WIUX-LP's Petition for Reconsideration on Docket 06-77**

To Whom It May Concern:

I would like to express my opposition to the FCC's policy of giving lower priority to Low Power radio stations. As a DJ at WIUX-LP, I feel that, apart from being patently unfair, retaining the power to remove a local radio station from the airwaves to make room for commercial broadcast has a chilling effect on the right to free speech.

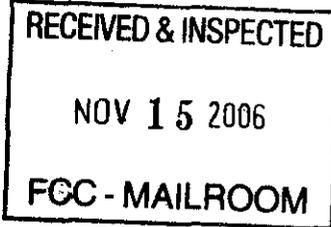

Low Power stations, Bloomington, Indiana's WIUX-LP in particular, serve a valuable purpose to the communities in which they broadcast, and local programming, whether Low Power or Class A, should have an equal right to continue to broadcast. I urge you to rethink and reformulate FCC policies governing Low Power stations, so that no other Low Power station may find itself in the same difficult position as WIUX-LP has currently been.

Sincerely,

Elizabeth J. Hadley
WIUX-LP DJ

Furthermore, the possible loss of WIUX in the Bloomington community would affect my family personally. Due to the exposure my husband's band has received because of WIUX, we are able to maintain a certain standard of living without sacrificing his contribution to our local arts and music scene. Without WIUX to provide a media through which other bands like my husband's can be accessed, Bloomington would lose the musical vibrancy that we have become so well known for.

Sincerely,

Colleen O'Rourke
