Dear Mr. Crawford:

This letter is in response to the Request for Approval of Withdrawal of your rulemaking petition concerning the allotment of Channel 251A at Electra, Texas. Your rulemaking petition, which was filed on May 9, 2005, had requested the allotment of Channel 251A at Electra as a first local service. To accommodate this allotment, you requested that the reference coordinates for vacant Channel 248C2 at Archer City, Texas, be modified.

The Request for Approval of Withdrawal, which was filed on November 9, 2005, states that you have decided not to pursue the allotment of Channel 251A at Electra and desire to withdraw both your expression of interest and rulemaking petition for this channel. Further, you submitted an affidavit, stating that you have not or will not receive any money or other consideration in connection with the withdrawal of your rulemaking petition.

Your request for withdrawal of your rulemaking petition is approved. The withdrawal complies with the provisions of Section 1.420(j) of the Commission's rules because no money or other consideration is being received in exchange for the withdrawal.

For the reasons discussed above, we are returning your Petition for Rulemaking.

Sincerely,

A handwritten signature in black ink, appearing to read "John A. Karousos", written over a large, stylized oval scribble.
