**Re: Voluntary Request for Dismissal of Request for Waiver of
Replication/Maximization Interference Protection Deadline
MB Docket No. 03-15
WFTT-DT, Tampa, Florida (FIN: 60559)**

Dear Ms. Dortch:

On behalf of Telefutura Tampa LLC, licensee of digital television station WFTT-DT, Tampa, Florida, this letter hereby requests the voluntary dismissal of the request for extension and waiver of the July 1, 2006 replication/maximization interference protection deadline filed for the station on June 29, 2006.

Pursuant to the FCC's Public Notice released on June 14, 2006, DA 06-1255, WFTT-DT was required to file a modification of construction permit application for its digital facility and specify the parameters of the station's STA facility. WFTT-DT filed the required application, which was granted on July 25, 2006. *See* FCC File No. BMPCDT-20060628ACI. Subsequently, the station completed construction of the digital facility pursuant to the modified construction permit and filed a license to cover application that was granted on November 20, 2006. *See* FCC File No. BLCDDT-20060912ADB.

Accordingly, WFTT-DT is now operating in compliance with the July 1, 2006 replication/maximization deadline, and Telefutura Tampa LLC hereby requests the voluntary dismissal of its request for extension and wavier as moot.
