To Whom It May Concern:

This is a letter of support for WIUX's petition for reconsideration on Docket 06-77. WIUX and the tradition of student-run radio is an important part of campus life at Indiana University with which the FCC should not interfere. Thank you.

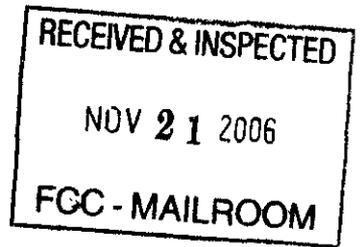

Best Regards,

Lisa Drake

**Letter of Support for  
WIUX-LP's Petition for Reconsideration on Docket 06-77**

Dear FCC,

I would like to express my opposition to the FCC's policy of giving lower priority to Low Power radio stations. Apart from being unfair, retaining the power to remove a local radio station from the airwaves to make room for commercial broadcast has a chilling effect on the right to free speech.

Low Power stations, Bloomington Indiana's WIUX in particular, serve a valuable purpose to the communities in which they broadcast, and local programming, whether Low Power or Class A, should have an equal right to continue to broadcast.

Sincerely,

A handwritten signature in cursive script, appearing to read "K. Wallace".
