Re: Amended 2.5 GHz Transition Initiation Plan for Manhattan-Junction City, KS BTA
(BTA275) WT Docket No. 06-136

Dear Ms. Dortch:

Pursuant to Section 27.1231(f) of the Federal Communications Commission's rules, 47 C.F.R. § 27.1231(f), Nextel Spectrum Acquisition Corp., a wholly owned subsidiary of Sprint Nextel Corporation (collectively "Sprint Nextel") hereby submit this Amended Initiation Plan to transition the Broadband Radio Service ("BRS") and Educational Broadband Service ("EBS") licensees in Basic Trading Area ("BTA") 275 – Manhattan-Junction City, KS.¹ This Amended Initiation Plan corrects a minor, inadvertent error in the list of call signs and licensees contained in Exhibit A. The call sign WQFL875 and licensee Clearwire Spectrum Holdings LLC ("Clearwire") are added to the list of call signs and licensees proposed to be transitioned in the Manhattan-Junction City, KS BTA. The license for WQFL875 was created via a partial assignment from Sprint Nextel to Clearwire that was approved by the Commission earlier this year. A Transition Plan was timely submitted to Clearwire as well as the other listed licensees.

As indicated below, this Initiation Plan filing includes: (i) identification of the BTA being transitioned; (ii) a list by call sign of all of the BRS and EBS licensees in the BTA that is being transitioned; (iii) a "best estimate" of when the transition will be completed; (iv) a statement confirming that licensees in adjoining or adjacent BTA(s) need not be transitioned to avoid interference to licensees in the subject BTA being transitioned; and (v) a certification that Sprint Nextel has the funds available to pay the reasonable expected costs of the transition.

Section 27.1231(f)(1)(i), List of BTAs.

The BTA being transitioned is listed in Exhibit A.

Section 27.1231(f)(1)(ii), List of Transitioning Licensees.

A list by call sign of all BRS and EBS licensees in the BTA that is being transitioned is provided in Exhibit A.

Section 27.1231(f)(1)(iii), Best Estimate for Completion.

After evaluating the various factors at issue in transitioning these licensees, including the number of licensees being transitioned, Sprint Nextel's best estimate for completion of this transition is on or before July 31, 2007.

Section 27.1231(f)(1)(iv), Statement on Adjacent BTAs.

¹ Sprint Nextel is eligible to serve as the proponent to transition this area under section 27.1231(c)(1) of the Commission's rules. 47 C.F.R. § 27.1231(c). Sprint Nextel has also satisfied all necessary conditions for filing an Initiation Plan, including sending a Pre-Transition Data Request and a Transition Notice to every BRS and EBS licensee in the subject BTA. See 47 C.F.R. §§ 27.1231(d)-(e).

Sprint Nextel has determined that it is unnecessary to transition any BRS/EBS licensees in adjacent or adjoining BTAs in order to avoid interference to the licensees in the markets that are the subject of this Initiation Plan. Our analysis shows that there will be no harmful interference to the transitioned licensees from existing operations outside the BTA. However, if field measurements indicate interference from operations outside the BTA, Sprint Nextel will incorporate the interfering licensee(s) into this transition or initiate transition for the BTA of the interfering licensee(s).

Section 27.1231(f)(1)(v), Statement on Co-Proponent.

Not applicable. Sprint Nextel is not transitioning this market jointly with a co-proponent.

Section 27.1231(f)(1)(vi), Certification of Funds.

Sprint Nextel certifies, based on the data collected through the Pre-Transition Data Requests, that it has sufficient funds available to pay the reasonable expected costs of the transition. As of September 30, 2006, as reported in Sprint Nextel's SEC Form 10-Q, Sprint Nextel had total assets of \$96.158 billion, unaudited.²
