RE: Ex Parte Communication
ET Docket 04-186

Dear Ms. Dortch:

On December 6, 2006, Victor Tawil, senior vice president of the Association for Maximum Service Television, met with the Office of Engineering and Technology staff: Rashmi Doshi, chief, Laboratory Division; William Hurst, chief, Technical Research Branch; Stephen Martin, senior engineer, Technical Research Branch; Ronald Chase, chief, Technical Analysis Branch; Ahmed Lahjouji, engineer, Technical Analysis Branch; Saurbh Chhabra, engineer, Technical Analysis Branch; Ira Keltz, deputy chief; Alan Stillwell, senior associate chief; and Bruce Romano, associate chief, regarding the above referenced docket.

An earlier *ex parte* Power Point presentation (attached) filed on September 19, 2006, was discussed. A plot and associated text showing the relationship between the Desired-to-Undesired ratio and the required minimum separation distance to prevent interference to TV viewers was presented (attached).

Sincerely,

David Donovan
President
