Re: Telecommunications Relay Services (TRS) and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123

Dear Ms. Dortch:

This afternoon Sherry Ingram, Sandra O'Brien and I, all representing Verizon, participated in a telephone conversation with Greg Hlibok of the Consumer and Governmental Affairs Bureau. During the call we discussed the problem of fraudulent use of IP Relay services and potential solutions, including communications assistant intervention and mandatory registration.

Please do not hesitate to contact me if you have any questions about this matter.

Sincerely,

A handwritten signature in black ink that reads "Richard T. Ellis".
