Re: MB Docket 03-15  
Supplement to Request for Extension of Digital Replication Deadline  
Request for Extension/Modification of Special Temporary Authority  
WGMB-DT, Facility ID No. 24976  
Baton Rouge, Louisiana

Dear Ms. Dortch:

ComCorp of Baton Rouge License Corp. ("ComCorp"), licensee of WGMB(TV) and permittee of WGMB-DT, Baton Rouge, Louisiana previously filed a request for extension of the digital replication deadline, filed June 23, 2005, and supplemented that request on November 22, 2005, to report additional developments. Subsequently, however, in late December 2005, WGMB-DT commenced operations with its full authorized DTV facilities. An application for license to cover construction permit was filed on January 3, 2006, File No. BLCDT-20060103ACW. That application remains pending. In light of the filing of the license application, however, the request for extension of the digital replication deadline is now moot and may therefore be dismissed.

Should any questions arise concerning this matter, please communicate with this office.

Very truly yours,

  
Anne Goodwin Crump

Re: *Verizon Petition for Declaratory Ruling or, in The Alternative, for Waiver of Section 64.604(b)(2)(ii) of the Commission's Rules*, CC Docket No. 03-123, Request for Confidential Treatment under 47 C.F.R. §§ 0.457 and 0.459

Dear Ms. Dortch:

Verizon submits the attached Declaration of Faye A. Cooley-Healy in further support of Verizon's *Petition for Declaratory Ruling or, in the Alternative, for Waiver of Section 64.604(b)(2)(ii) of the Commission's Rules*. Mrs. Cooley-Healy's declaration and attachment provides additional clarification and context to Mr. Woods declaration by identifying specifically: (i) the \*\*\*\*\* days that were missed due to fraud; (ii) the \*\*\*\*\* days referenced in paragraph 6 of Mr. Wood's declaration that were missed due to unusually high call volumes and that are not identified as dates missed due to fraud; (iii) the \*\*\*\* days referenced in paragraph 7 of Mr. Wood's declaration that were missed because half hour interval volumes exceeded projected calls volumes and that are not identified either as days missed due to fraud or as days missed due to daily spikes in call volumes; and (iv) the \*\*\*\*\* days referenced in paragraph 8 of Mr. Wood's declaration that were missed due to other circumstances beyond Verizon's control.

We also are resubmitting Mr. Wood's declaration from the July 31 filing including a revision to Attachment 3, which became corrupted in its initial conversion to electronic format.

The information contained both in Mr. Wood's Declaration and in Ms. Cooley-Healy's Declaration is proprietary and confidential and Verizon, therefore, requests that it be treated accordingly.

Please call me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Richard T. Ellis".
