PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ACTION

REGION 14 (INDIANA) PUBLIC SAFETY REGIONAL PLANNING COMMITTEES TO HOLD 700 MHz REGIONAL PUBLIC SAFETY PLANNING AND 800 MHz NPSPAC REGIONAL PUBLIC SAFETY PLANNING MEETINGS

Gen. Docket No. 90-178

The Region 14 (Indiana)¹ Public Safety Regional Planning Committees will hold two consecutive planning meetings on Wednesday, January 24, 2007. Beginning at 10:00 a.m., the 800 MHz Public Safety Regional Planning Committee will convene at the Indiana Department of Transportation Traffic Management Center, Indiana State Police Post, District 52, 8620 East 21st Street, Indianapolis, Indiana. The purpose of this meeting is to review pending 800 MHz applications, and address outstanding issues.

Immediately following the 800 MHz Public Safety Regional Planning Committee meeting, the 700 MHz Public Safety Regional Planning Committee will convene at the same location. The purpose of this meeting is to review the draft 700 MHz plan.

Both of the Region 14 Public Safety Regional Planning Committee meetings are open to the public. All eligible public safety providers whose sole or principal purpose is to protect the safety of life, health, or property in Region 14 may utilize these frequencies. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

¹ Region 14 (Indiana) area includes the entire state of Indiana, except the Southern Lake Michigan counties of Lake, Laforte, Jasper, Jasper, Starke, St. Joseph, Porter, Newton, Pulaski, Marshall and Elkart Counties.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 14 should plan to attend. For further information, please contact:

Alex R. Whitaker, Vice-Chairman
Region 14 700 MHz Public Safety Regional Planning Committee
Frequency Advisor, 800 MHz Regional Conformance and Review Committee
