**Letter of Support for
WIUX-LP's Petition for Reconsideration on Docket 06-77**

Dear FCC,

I would like to express my opposition to the FCC's policy of giving lower priority to Low Power radio stations. Apart from being unfair, retaining the power to remove a local radio station from the airwaves to make room for commercial broadcast has a chilling effect on the right to free speech.

Low Power stations, Bloomington Indiana's WIUX in particular, serve a valuable purpose to the communities in which they broadcast, and local programming, whether Low Power or Class A, should have an equal right to continue to broadcast.

Sincerely,

Neil S. Taylor
