Re: United States Cellular Corporation
Handset Penetration Certification
Request for a Limited Waiver of Section 20.18(g)(1)(v)
CC Docket No. 94-102

Dear Ms. Dortch:

United States Cellular Corporation ("USCC") hereby certifies that no later than December 31, 2006, the percentage of location capable handsets in use among all of its subscribers exceeded 95 percent. The certification is being submitted as directed by an Order released by the FCC on January 5, 2007 denying USCC's request for a limited waiver of Section 20.18(g)(1)(v). See *In re: United States Cellular Corporation Order*, FCC 06-66, CC Docket No. 94-102, ¶ 22, released January 5, 2007 (the "Order").

As a result of this certification, USCC does not intend to file the handset penetration quarterly reports that were conditionally required in paragraph 22 of the *Order*.

Please direct any questions regarding this matter to the undersigned.

Sincerely,

Thomas P. Van Wazer

AFFIDAVIT OF JAMES JENKINS

I, James Jenkins, hereby declare under penalty of perjury that the foregoing is true and correct, to the best of my knowledge and belief:

1. I am Vice President, Legal and External Affairs, for United States Cellular Corporation ("USCC"). In this capacity, I am familiar with USCC's E911 deployment efforts.
2. I have reviewed the foregoing handset penetration certification and believe that the facts contained therein are true and accurate.

Dated this 11th day of January, 2007.

James Jenkins
