Re: WC Docket Nos. 06-54 & 06-55
Notice of *Ex Parte* Presentation

Dear Ms. Dortch:

On January 22, 2007, Keith Oliver of Home Telephone Company ("Home") conducted a conference call with Renee Crittendon of the Wireline Competition Bureau on behalf of the South Carolina Telephone Coalition ("SCTC") to discuss two petitions filed by Time Warner Cable and related comments filed in WC Docket Nos. 06-54 & 06-55. Home is among the twenty-one members of the SCTC.

During the meeting, the status of the proceedings was discussed. In this context, Mr. Oliver reiterated the position of the SCTC which was presented to the Bureau in comments and *ex partes* made in the above-referenced dockets and demonstrated that exchange of traffic and not interconnection is the real issue in dispute. Mr. Oliver then once again urged the Commission to deny the petitions and consider these matters only in the context of its IP Enabled Services Notice of Proposed Rulemaking proceeding.

Please contact the undersigned with any questions.

Respectfully submitted,

By: /s/ Keith Oliver
