CC Docket No. 02-6

Request for Review

Applicant Name: Florence Public School District 1  
Billed Entity Number: 127190  
Form 471 Application No: 502214  
Funding Request Number: 1380990

To Whom It May Concern:

I am unsure of the format for this appeal. There are very few details on how to submit an appeal to the FCC on the USAC website. All I can ask is that you listen to this appeal. I have previously appealed to USAC but it was denied.

The Funding Request was denied for "Contract Extension Violation." (South Carolina Contract Number: 2000.17) According to the state CIO office, the contract was legal and was approved by USAC. As listed in the Contract # 2000.17 on file with the CIO,  
"This Agreement, which shall commence on the last date signed below, is for a non-exclusive, state term contract for the local telecommunication services as further described herein and shall be for an initial term of five (5) years. This Agreement may be renewed by the State, at its sole option, annually or in any combination as long as the term of the Agreement does not exceed a total of seven (7) years."

I request that you review the Contract and the FRN submitted by Florence School District One.

Thank you for your cooperation in this matter.
