Identification of Appealed Actions:

Form 471 Application Number: 235755
Funding Year 4: July 1, 2001 – June 30, 2002
Billed Entity Number: 131263
Applicant Name: Montcalm Area Intermediate School District
Funding Request Numbers: 600845, 600906, 601083, 601596, 605693
Funding Commitment Decision Letter: August 7, 2001

Basis of SLD decision to deny funding:

“No form 486 filed”

No. of Copies rec'd 0
List ABCDE _____

Explanation of Appeal:

I am requesting a review of previous USAC denial of funding for eligible telecommunication services listed specifically in the USAC letter dated December 14, 2006. I was not involved in the submission of the first request for appeal that was denied by the USAC. An internal change in staffing and new review of documents prompted me to inquire with the SLD as to why we had not received closure on the appeal. During my call I was informed by the SLD no record of the appeal documents could be found. I was told if I could confirm we sent documents the issue could be re-evaluated. I followed up with a second appeal by providing a copy of the original appeal document indicating documents were in fact sent to the SLD in a timely manner. My second appeal attempt was summarily dismissed stating "no Form 486 on file" when, in fact, the form was sent to the USAC. I am, therefore, requesting to have the funding issue reconsidered through the FCC appeals process.

Montcalm Area Intermediate School District was initially denied funding based on a missing signature on the Form 486 for Telecommunication services. The original Form 486 in question was one of two Form 486's submitted to the SLD in funding year four. The Form 486 for Internet services was signed, funded, and completed without error. The Form 486 for Telecommunications service, submitted at the same time and in the same envelope, was not signed due to an error by our former Superintendent. Upon notification by the SLD we submitted a letter of appeal, in a timely manner, including the revised document with the proper signature.

My records confirm the first letter of appeal was sent and would indicate the request was either not received or not processed by the SLD.

I have attached additional documentation including a copy of the signed Form 486 on which the USAC based their denial decision.

Please contact me if you need additional information or clarification.
Thank you for your time and consideration in this matter.

Sincerely,

 1/2/07

Re: Form 471 Application Number: 235755
Funding Year 4: 07/01/2001 - 06/30/2002
Billed Entity Number: 131263

Thank you for your 2001-2002 E-rate application and for any assistance you provided throughout our review. We have completed review of your Form 471. This letter is to advise you of our decision(s).

FUNDING COMMITMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Report for the Form 471 application cited above. We have reviewed each Discount Funding Request on your Form 471 application and have assigned a Funding Request Number (ERN) to each Block 5. The enclosed report includes a list of the ERNs from your application. The SLD is also sending this information to your service provider(s) so preparations can be made to begin implementing your E-rate discount(s) upon the filing of your Form 486. Immediately preceding the Funding Commitment Report, you will find a guide that defines each line of the Report.

NEXT STEPS

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step to facilitate receipt of discounts as featured in this letter will be to file an FCC Form 486 with the SLD. The Form 486 notifies the SLD to begin payment to your service provider and provides certified indication that your technology plan(s) has been approved. The Form 486 and instructions can be found on the SLD web site at <www.sl.universalservice.org> or you can call the SLD Client Service Bureau at 1-888-203-8100 and ask that the form be sent to you. The new Form 486, dated July 2001 in the lower right corner, MUST be used for Funding Year 4 and for any previous funding years once it becomes available. Subsequent submissions of earlier versions of the Form 486 will be returned to you and will not be able to be processed. As you complete Form 486, you should also contact your service provider to verify they have received notice from the SLD of your funding commitments. After the SLD processes your Form 486, we can begin processing invoices from your service provider(s) so they can be reimbursed for discounted services they have provided you.

On December 21, 2000, the Children's Internet Protection Act was signed into law. That law will require schools and libraries that receive Universal Service discounts for certain services to adopt an Internet safety policy incorporating the use of filtering or blocking technology on computers with Internet access as a condition of receiving those discounts. THE LAW DOES NOT, HOWEVER, REQUIRE THIS TO BE IN PLACE FOR FUNDING YEAR 4. RECIPIENTS WILL HAVE TO CERTIFY, HOWEVER, THAT THEY ARE UNDERTAKING SUCH ACTIONS, INCLUDING NECESSARY PROCUREMENT PROCEDURES, TO PUT SUCH TECHNOLOGY PROTECTION MEASURES IN PLACE. For Funding Year 4 (the Funding Year beginning July 1, 2001), Billed Entities filing Form(s) 486 may encounter one or more situations that will affect their filing deadline(s). See the requirements for Funding Year 4 below and the Form 486

Instructions for more information on filing deadlines to ensure that your discounts can be paid retroactively to the Service Start Date. You are advised to keep proof of the date of mailing.

1. If Funding Year 4 services start on or before Sunday, October 28, 2001, and the date of your Funding Commitment Decision Letter is before Sunday, October 28, 2001, your Form 486 must be postmarked on or before October 28, 2001 in order for discounts to be paid retroactively to the Service Start Date. Failure to meet this certification deadline will result in reduced funding.
2. If your services start after October 28, 2001, your Form 486 must be postmarked no later than 120 days after the Service Start Date or 120 days after the date of the Funding Commitment Decision Letter, whichever is later, in order for discounts to be paid retroactively to the Service Start Date. Failure to meet this filing deadline will result in reduced funding.

You may also check the SLD web site at <www.sl.universalservice.org> or call the Client Service Bureau at 1-888-203-8100 for more information about how this new law might impact universal service discounts and any needed documentation for Funding Year 4 (July 1, 2001-June 30, 2002).

TO APPEAL THESE FUNDING COMMITMENT DECISIONS

If you wish to appeal the Funding Commitment Decision(s) (FCD) indicated in this letter, your appeal must be made in writing and RECEIVED BY THE SCHOOLS AND LIBRARIES DIVISION (SLD) at the SLD address below WITHIN 30 DAYS OF THE ABOVE DATE ON THIS LETTER. Failure to meet this requirement will result in automatic dismissal of your appeal. In your letter of appeal:

1. Include the name, address, telephone number, fax number, and e-mail address (if available) for the person who can most readily discuss this appeal with us.
2. State outright that your letter is an appeal. Identify which FCD Letter you are appealing. Indicate the relevant funding year and the date of the Funding Commitment Decision Letter. Your letter of appeal must also include the applicant name, the Form 471 Application Number, and the Billed Entity Number from the top of your FCD Letter.
3. Identify the particular Funding Request Number (FRN) that is the subject of your appeal. When explaining your appeal, include the precise language or text from the Funding Commitment Decision Letter that is at the heart of your appeal. By pointing us to the exact words that give rise to your appeal, the SLD will be able to more readily understand and respond appropriately to your appeal. Please keep your letter to the point, and provide documentation to support your appeal. Be sure to keep copies of your correspondence and documentation.
4. Provide an original authorized signature on your letter of appeal.

Please send your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981. Appeals submitted by fax, phone call, and e-mail CANNOT be processed.

While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC): FCC, Office of the Secretary, 445-12th Street SW, Room TW-A325, Washington, DC 20554. You should refer to CC Docket Nos. 96-45 and 97-21 on the first page of your appeal to the FCC. Your appeal must be made in writing and RECEIVED BY THE FCC at the FCC address above WITHIN 30 DAYS OF THE ABOVE DATE ON THIS LETTER. Failure to meet this requirement will result in automatic dismissal of your appeal. Further information regarding filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference area of the SLD web site <www.sl.universalservice.org>.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the universal service mechanisms for schools and libraries. FCC Form 471 Applicants who have received funding commitments continue to be subject to audits and other reviews that SLD or the Federal Communications Commission may undertake periodically to assure that funds have been committed and are being used in accordance with all such requirements. If the SLD subsequently determines that its commitment was erroneously issued due to action or inaction, including but not limited to that by SLD, the Applicant, or Service Provider, and that the action or inaction was not in accordance with such requirements, SLD may be required to cancel these funding commitments and seek repayment of any funds disbursed not in accordance

with such requirements. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

We look forward to continuing our work with you on connecting our schools and libraries through advanced telecommunications services.

Sincerely,

Schools and Libraries Division
Universal Service Administrative Company

A GUIDE TO THE FUNDING COMMITMENT REPORT

Attached to this letter will be a report for each E-rate funding request from your application. We are providing the following definitions.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to Applicants and Service Providers the status of individual discount funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of three definitions: "Funded," "Not Funded," or "As Yet Unfunded."

1. An FRN that is "Funded" will be approved at the level that SLD determined is appropriate for that item. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds will be committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision," and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funds in the Universal Service Fund was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for internal connections at a particular discount level. For example, if your application included requests for discounts on both telecommunications services and internal connections, you might receive a letter with our funding commitment for your telecommunications funding requests and a message that your internal connections requests are "As Yet Unfunded." You would receive a subsequent letter(s) regarding the funding decision on your internal connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support programs. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on Form 471.

EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT: The first possible date of service for which the SLD will reimburse service providers for the discounts for the service.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a will be listed. This will appear only for "site specific" FRNs.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23, Column I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse service providers for the approved discounts for this service through June 30, 2002. It is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry may amplify the comments in the "Funding Commitment Decision" area.

Stanton, MI 48888

Re: Applicant Name: Montcalm Area Intermediate School District
Billed Entity Number: 131263
471 Application Number: 235755
Funding Request Numbers: 600845, 600906, 601083, 601596, 605601,
605657, 605693
Correspondence Date: April 07, 2005

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2001 Form 486. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number: 600845, 600906, 601083, 601596, 605601, 605657,
605693

Decision on Appeal: **Dismissed**

Explanation:

- Upon thorough review of the appeal letter and the relevant documentation, the USAC has reviewed and assessed your appeal. In your appeal dated October 26, 2006, you state that your Form 486 was denied due to lack of signature; but we have no evidence that a Form 486 has been filed for this application. For additional information on how to file a Form 486, please see <http://www.universalservice.org/sl/applicants/step10/form486-filing-information.aspx>. Since a Form 486 has not been filed, the appeal is dismissed. Furthermore, USAC records indicate that funding request numbers (FRN) 605601 and 605657 were cancelled at the request of Bradley Hansen, Montcalm Area Intermediate School District' Superintendent.

Attach signed copy

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either USAC or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.

Identification of Appealed Actions:

Form 471 Application Number: 235755
Funding Year 4: July 1, 2001 – June 30, 2002
Billed Entity Number: 131263
Applicant Name: Montcalm Area Inter Sch Dist
Funding Request Number: 600845, 600906, 601083, 601596, 605601, 605657, 605569
Funding Commitment Decision Letter: August 7, 2001

Basis of SLD decision to deny funding:

“No form 486 filed”

Explanation of appeal:

I am resubmitting our request for appeal regarding funding of telecommunication services. I was not involved in the submission of the first request for appeal. An internal change in staffing and new review of documents prompted me to inquire with the SLD as to why we had not received closure on the appeal. During my call I was informed by the SLD no record of the appeal documents could be found. I was told if I could confirm we sent documents the issue could be re-evaluated. I have since discovered a copy of the initial appeal document indicating documents were in fact sent to the SLD in a timely manner. I am, therefore, requesting to have the funding issue reconsidered.

Montcalm Area Intermediate School District was initially denied funding based on a missing signature on the Form 486 for Telecommunication services. The original Form 486 in question was one of two Form 486's submitted to the SLD in funding year four. The Form 486 for Internet services was signed, funded, and completed without error. The Form 486 for Telecommunications service, submitted at the same time and in the same envelope, was not signed due to an error by our former Superintendent. Upon notification by the SLD we submitted a letter of appeal, in a timely manner, including the revised document with the proper signature.

My records confirm the first letter of appeal was sent and would indicate the request was either not received or not processed by the SLD.

I have attached copies of the original letter of appeal, e-mail correspondence, memo, postal receipts, and a summary of the charges in appeal.

Please contact me if you need additional information or clarification.
Thank you for your time and consideration in this matter.

Sincerely,

Tom Staten

2. Identify which SLD action you are appealing.

SLD Form 471 Application Number: 235755
Funding Year 4: July 1, 2001 – June 30, 2002
Billed Entity Number: 131263
Applicant Name: Montcalm Area Intermediate School District
Funding Request Number: 600845, 600906, 601083, 601596, 605601, 605657, 605569
Funding Commitment Decision Letter: August 7, 2001

3. Basis of SLD decision to deny funding: "No Form 486 filed."

4. Explain your appeal and include copies of all relevant documentation.

Basis of District appeal: Montcalm Area Intermediate School District filed two Forms 486 – one was for Internet Access based upon FCDL #248841; the other for Telco based upon FCDL #235755. Both forms were filed on the same date and sent in the same envelope.

Due to a change in personnel, only one Form 486 was signed. The other inadvertently was left unsigned but was sent. Please find enclosed a copy of the signed Form 486.

Because the Form was completed and sent (although unsigned), we ask that these FRNs be reinstated and funded for the funding year. Please contact me if you have any further questions.

Thank you for your time and consideration.

Sincerely,

Dr. Bradley Hansen
