**Re: MB Docket No. 87-268
(DTV Table of Allotments)**

Dear Ms. Dortch

Enclosed for filing, on behalf of our client, Prime Time Christian Broadcasting, Inc., are an original and four (4) copies of its "COMMENTS OF PRIME TIME CHRISTIAN BROADCASTING, INC." in the above-referenced matter.

Please direct any communications or correspondence concerning this matter to the undersigned.

Very truly yours

Jerold L. Jacobs

Enc.

0+4

DTV Channel 17 is listed in Appendix B of the *FNPRM*, 21 FCC Rcd at 12196, as 184 kilowatts. Because of the DTV channel change, PTCB has conducted informal calculations to determine the appropriate ERP for KPCB-DT's future operation on DTV Channel 17. That figure appears to approximate 50 kilowatts – much less than the 184 kilowatts specified in Appendix B.

2. Therefore, PTCB respectfully urges that the 184 kW ERP in Appendix B of the *FNPRM* is incorrect and should be recalculated. **PTCB believes that the correct DTV ERP for KPCB-DT, Snyder, Texas, approximates 50 kilowatts, but PTCB asks the Commission to make an official recalculation. Once the ERP is recalculated, other changes in the listing (area and population) should occur automatically.**

Respectfully submitted

PRIME TIME CHRISTINA BROADCASTING, INC.
