Amendment of Section 73.202(b))
Table of Allotments)
New FM Broadcast Station)
(Woodland, Washington))
)

MB Docket No. _____
RM- _____

To: Office of Secretary
Attn: Chief, Audio Division
Media Bureau

PETITION FOR RULEMAKING

Friendship Broadcasting, LLC, ("Friendship"), by its attorney, submits the instant petition and its associated FCC Form 301 application, requesting the Federal Communications Commission to initiate a rulemaking proceeding pursuant to Section 73.202(b) of the Commission's rules to amend the Vacant FM Table of Allotments in order to assign FM Channel 250A to Woodland, Washington, as its first local transmission service as follows:

<u>CITY</u>	<u>PRESENT</u>	<u>PROPOSED</u>
Woodland, WA	---	250A

Woodland is an incorporated community with a U.S. Census recorded population of 3,780 persons. Woodland is a bona-fide community for allotment purposes: it is an incorporated community, generally sufficient for allotment purposes. Woodland has a its own post office and

zip code (98674), city government, police department, fire department, library, schools, places of worship, community centers, medical facilities, numerous businesses, and its own monthly local newspaper publication¹. Clearly, Woodland is deserving of radio service on FM Channel 250A.

As indicated in the attached Exhibits 1-3, Channel 250A can be assigned to the community of Woodland at the following reference coordinates N45-54-21, W122-39-59 (NAD 27). A site restriction of approximately 6 kilometers east of Woodland's city center coordinates is required for the proposed allotment. At the reference site, the principal community contour coverage requirements of §73.315 are satisfied, and all minimum distance separation requirements of §73.202(b) of the Commission's Rules are met, except towards station KNRQ-FM at Eugene, Oregon.

KNRQ-FM is operating on FM Channel 250 as a Class C station with a tower height below the required 451 meters HAAT for that class of station.² Friendship can find no alternate Class A channels available to serve the community of Woodland, therefore, Friendship wishes the Commission to put forth an Order to Show Cause as to why station KNRQ-FM should not be reclassified as a C0 station. Friendship certifies that it is sending a copy of this petition to the following address to serve notice to the licensee of KNRQ-FM:

Cumulus Licensing LLC
14 Piedmont
3535 Piedmont Rd
Suite 1400
Atlanta, GA 30305

¹ See Exhibit 4 attached hereto for additional community information.

² KNRQ-FM operates with an HAAT of 308 meters.

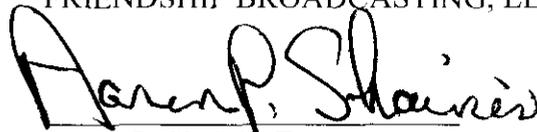

In the event that Channel 250A is allotted to Woodland, Washington, Friendship will participate in an FM Auction to acquire the station and, if authorized, will build the station promptly.

For the foregoing reasons, the Commission should consider adding channel 250A at Woodland, Washington.

Respectfully submitted,

FRIENDSHIP BROADCASTING, LLC

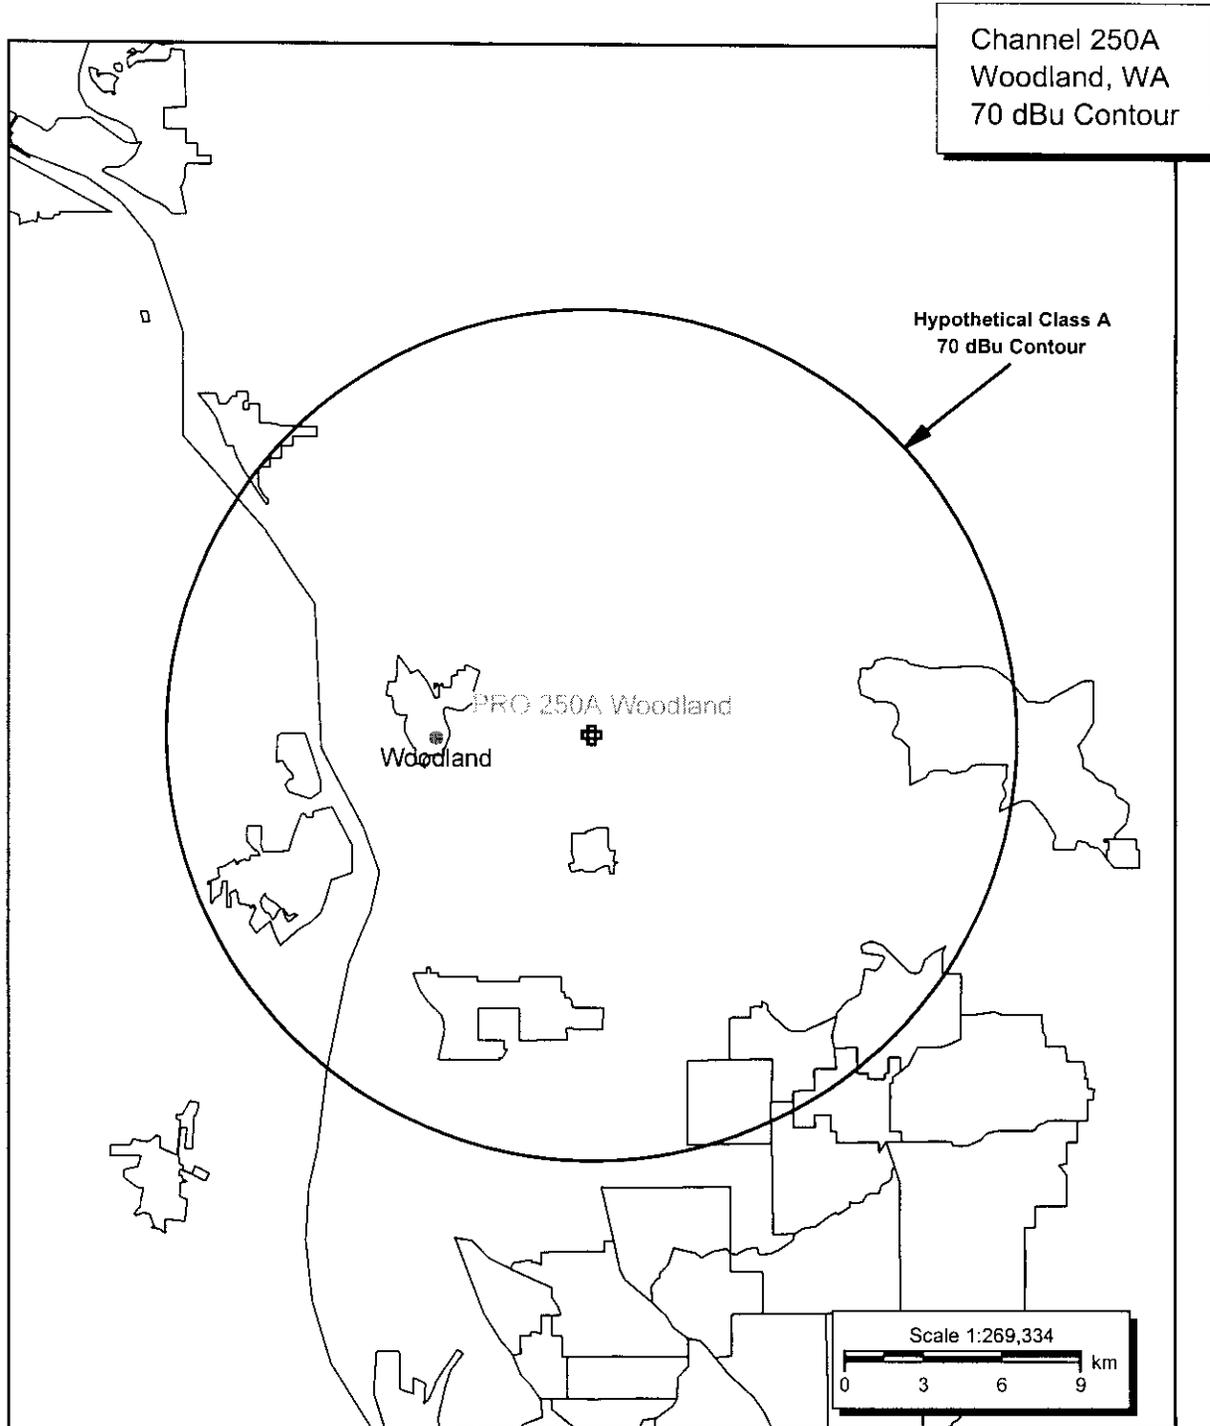

By:

Aaron P. Shainis, Esq.

Welcome to the City of Woodland, Washington

Incorporated in 1906, the City of Woodland, located 20 miles north of Vancouver, Washington, is the southern gateway to Mt. St. Helens. The city is located in both Cowlitz and Clark Counties. This growing community, with a population of 4,330 is located at the junction of Interstate 5 and State Highway 503. The greater Woodland area has a population of over 10,000 persons.

Woodland is home of the famous [Hulda Klager Lilac Gardens](#) and the annual celebration of The Lilac Festival. From the last week of April through the first week of May, the Klager Museum is open to the public. Woodland is also known for [Planter's Days](#), a celebration of pageant that commences with the coronation of a Planter's Day Queen. The celebration is the oldest of its type in the Pacific Northwest and reflects Woodland's passion for tradition.

INSEL ROAD CONSTRUCTION. Beginning January 2, 2007 Drainage improvements will be underway on Insel Road off of Lewis River Road inside Woodland City Limits. Construction is expected to last 6 weeks. Questions should be directed to Dennis Ripp at: 225-7800 or 225-7999. Thank you for your patience.

24 HOUR ROAD CLOSURE to Thru Traffic on INSEL RD from LEWIS RIVER TO WILLOW is expected to remain in effect from January 8 - 22 2007. Willow to Blacktail from January 22nd - February 9th 2007. Local traffic including homeowners will have access at all times.

City of Woodland Mayor

Douglas A. Monge
monged@ci.woodland.wa.us
January 1, 2004 -
December 31, 2007

I would like to begin by saying what a great honor it is to be the Mayor of the City of Woodland . Nestled in the Lewis River Valley in Southwest Washington , Woodland is surrounded by some of the natural beauty that is associated with the state of Washington. From the mountains where trails abound with the potential for all types of winter activities to the rivers and lakes with miles of crystal clear waters for summer sports, there is always something to do in Woodland. We also have the distinction of having the most active volcano in the United States, Mt. St. Helens, in our own backyard.

I have the privilege of being in office as our community celebrates its centennial anniversary, in the spring of 2006. The city of woodland is a growing and thriving community with a rich history thanks to the families that settled, farmed and logged the surrounding hillsides.

The City of Woodland is located just 20 minutes north of the Portland, Oregon / Vancouver, Washington metropolitan areas along interstate 5. Although we are near the big city amenities we enjoy a small town feel. Woodland is growing, not only with residential growth but we also have seen an increase in our commercial and industrial areas as well with access to rail, water and interstate routes to move goods from production to market.

I extend a warm Woodland welcome to you, and if you find that your travels lead you near our fine city please stop in and enjoy all that we have to offer.

Southwest Washington holds a rich hertiage and history. In May, 1804, Meriwether Lewis and William Clark set out to explore the Louisiana Territory and their journey concluded at the West Coast in the autumn of 1805. Historical stops trace the explorers' last 100 mile journey through Oregon and Washington to the Pacific Ocean. Southwestern Washington is filled with many cultural and social points of interest and as Meriwether Lewis's noted; "the most desirable location for a settlement west of the Rocky Mountains."

Discovered by Captain Robert Gray in 1789 the Columbia River curves through Southwestern Washington passing through Vancouver, Washington and Portland, Oregon before the river meets the Pacific Ocean at Astoria, Oregon. Vancouver became the first settlement in the Pacific Northwest in 1824 when the Hudson 's Bay Company established Fort Vancouver as a shipping and trading center.

The Woodland Chamber offers corporate recruitment and relocation information, maps, travel information, and more.

Whether you are just visting, relocating your business or home, or retiring the Woodland Chamber of Commerce can help you locate attractions and points of interest, find a realtor, choose a moving company or help answer general questions about the area.
