Re: *In the Matter of Petition of Qwest Communications International Inc. for
Forbearance from Enforcement of the Commission's Dominant Carrier
Rules As They Apply After Section 272 Sunset Pursuant To 47 U.S.C.
§ 160, WC Docket No. 05-333*

Dear Ms. Dortch:

On January 26, 2007, Qwest representatives Melissa Newman, Susanne Mason, Glenda Weibel and Timothy Boucher, via teleconferencing, met with Federal Communications Commission ("Commission") staff personnel, Donald Stockdale, William Dever, William Kehoe and Renee Crittendon. In the course of the discussion, representatives of Qwest outlined the pro-competitive effects that would follow for all impacted classes of business and residential customers if the Commission granted the forbearance relief that Qwest has requested in this proceeding. The statements of Qwest's representatives were consistent with Qwest's prior filings in this proceeding.

This submission is made pursuant to Sections 1.49(f) and 1.1206(b) of the rules of Commission, 47 C.F.R. §§ 1.49(f), 1.1206(b).

Sincerely,

/s/ Melissa E. Newman
