licensee. However, because the International Bureau's files did not reflect a pro forma assignment of the licenses to that entity from BellSouth International, Inc., an amendment was filed to change the name of the licensee to the latter. After the pro forma assignment was processed, counsel for BellSouth Corporation withdrew the amendment, Letter from Scott D. Delacourt, Wiley Rein & Fielding LLP, to Marlene Dortch, Secretary, FCC (Oct. 11, 2006), thereby restoring BellSouth Long Distance, Inc. as the licensee on the pending application.
