OPPOSITION TO MOTION TO STRIKE

Clear Channel Communications, Inc. (“Clear Channel”) hereby opposes the “Motion to Strike Comments of Clear Channel Communications, Inc.” filed by Mt. Wilson FM Broadcasters (“Mt. Wilson”) in the above-captioned proceeding on January 24, 2007. Mt. Wilson’s claim that Clear Channel’s comments and reply comments are “irrelevant” to the instant proceeding and should be stricken from the record is meritless. Clear Channel’s comments and reply comments were duly authorized and reflect the views of the company, as is obvious from the fact that both documents bore the signature of its Chief Legal Officer. In the unlikely event that Clear Channel’s views change in the future – as a result of different ownership or otherwise – Clear

Channel would, of course, advise the Commission of that fact, consistent with its obligations as an FCC licensee.

Respectfully submitted,
