Re: Certification Of High Cost Support For Rural Carriers And
Competitive ETCs Pursuant To 47 C.F.R. § 54.314, CC Docket No. 96-
45

Dear Ms. Dortch / Ms. Majcher:

On September 26, 2006, the Iowa Utilities Board (Board) filed a certification regarding federal high cost support provided to rural carriers and competitive ETCs in the state. This certification included a certification for Long Lines Wireless LLC (Study Area Code 359101). With this certification, it was the Board's intent to certify Long Lines Wireless LLC for receipt of high cost support for the period in 2006 it was designated ETC status and also for high cost support to be received in 2007. Long Lines Wireless LLC was granted ETC status by the Board on August 30, 2006.

Please contact the undersigned if there are any questions concerning this matter.

Sincerely,

A handwritten signature in cursive script that reads "Judi K. Cooper".
