Dear Mr. Martin:

I am writing to respectfully request that Cable Choice be made available to me and other viewers who find the increasing plethora of cable programs such as Nip/Tuck unwholesome and disgusting. I do not wish to subsidize such filth with my subscription yet wish to have access to the wholesome programs that do exist on cable. If this is not possible, please consider mandating that cable programming be held to the same standard as broadcast networks.

Thank you for considering my request.

Sincerely,

*Agnes Lindstrom*
