Dear Name 1,

Until very recently, Buy Tel Communications, Inc. ("Buy Tel Communications") had been providing your **local telephone service** over the resold facilities of AT&T Texas (AT&T). As you may be aware, Buy Tel Communications is no longer able to provide your **local telephone service**.

To prevent your service from being disconnected without notification to you, AT&T began providing **local telephone service** to you on January 31, 2007, for a limited transition period. You can continue receiving this service through March 2, 2007, which is the last day of this limited transition period. Rate information has been included along with this letter.

Important: You have a choice in selecting the **local telephone service** provider you want to provide service to you. To continue to receive service after March 2, 2007, you must arrange for service with one of the **local telephone service** providers in your area. Contact numbers for the local telephone providers in your area are available in your local telephone directory.

Should you wish to continue receiving AT&T service after March 2, 2007, please call our business office. The telephone number for the AT&T business office in your area is available in your AT&T White Pages directory.

If within one week prior to the date of this letter, your local telephone service was disconnected or you changed your **local telephone service** provider, please disregard this letter. **If you have any questions regarding this letter please call 1-800-667-1086.**

Sincerely,

Cheryl Becker
