**Re: MB Docket No. 03-15
 WACY(TV), Appleton, Wisconsin (FIN-361)
 Withdrawal of Request for Waiver of Replication Deadline**

Dear Ms. Dortch:

Ace TV, Inc. ("Ace"), licensee of WACY(TV), Appleton, Wisconsin, hereby withdraws WACY(TV)'s pending request for a waiver and six-month extension of the Commission's "use-it or lose-it" replication deadline. Previously, by letter dated July 25, 2006, Ace sought an extension of the use-it or lose-it replication deadline for WACY(TV) based on the fact that the station was awaiting authorization for a slight modification to its authorized full-power DTV facilities on Channel 27. As stated in Ace's July 25th letter, until that requested modification was granted and constructed, the station could not fully replicate its certified facilities. In September 2006, the Commission granted the requested modification (FCC File No. BMPCDT-20060627ABU). Subsequently, on December 22, 2006, Ace filed a covering license application seeking a license for its full-power DTV operations on Channel 27. (*See* FCC File No. BLCDDT-20061222AAT). Accordingly, the pending request for waiver and extension of the use-it or lose-it deadline is no longer necessary as the station has completed the construction of its full authorized DTV facilities consistent with its earlier elections and certifications and is now awaiting its license authorization.
