Re: Notice of ex parte presentation – RM-11341

Dear Ms. Dortch:

On February 13, 2007, the Satellite Industry Association (“SIA”) had a meeting with staff of the Office of Engineering and Technology of the Federal Communications Commission International Bureau (“OET”) regarding SIA’s Comments in the above-referenced proceeding concerning amendment of the National Table of Frequency Allocations to provide allocation status for Federal Earth Stations communicating with Non-Federal Satellites.

SIA was represented by the following: David Cavossa and Carolyn Roddy of SIA; Jennifer Warren of Lockheed Martin; Alan Rinker of Boeing and Steve Doiron of Hughes Network Systems.

OET staff present in the meeting were the following: Julius Knapp, OET Chief; Ron Repasi, Acting Deputy Chief; Geraldine Matisse, Chief, Policy and Rules Division; Jamison Prime, Chief, Spectrum Policy Branch; and Shameeka Hunt.

SIA’s presentation in the meeting followed the attached talking points, which were distributed to the meeting participants.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

Carolyn Roddy
