**Subject:** Year 9 appeal

Nathaniel,

As you know, we submitted our e-Rate applications for Priority 2 work in our Year 8 application and duplicated it in Year 9, since we did not receive the funding in Year 8. Epic Communications was very kind to do an appeal to the FCC for our Year 9 application when it was rejected. The week before last we received word that our Year 8 application was approved.

After much thought and consideration of the "2 in 5 rule", we would like to request that you revoke the appeal. We would prefer to have future applications cover different work.

Thank you for all your help and advice.

Sincerely,  
Jane Logan
