TELEVISION STATION SECTION 339(a)(2)(D)(vii) WAIVER REQUEST

DECLARATION

1. My name is James Corbin. I am Program Director of WWNY-TV and WWNY-DT, Carthage, New York, as well as WNYF-CA, Watertown, New York. I reside within the local television market of Watertown-Carthage, New York, where these stations operate.
2. The Direct Broadcast Satellite companies operating in this market do not currently offer "local into local" service here.
3. WWNY-TV and WWNY-DT are affiliates of the CBS television network.
4. WWNY-DT multicasts the programming of WNYF-CA, an affiliate of the FOX television network, on one of its digital sub-channels. WNYF-CA is therefore available for over-the-air digital reception in the local market, albeit not under the legal call sign identifier, WNYF-CA.

I, James Corbin, declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.
