**Re: “Implementing a National, Broadband, Interoperable Public Safety
Network in the 700 MHz Band”
PS Docket No. 06-229; WT Docket No. 96-86**

Dear Ms. Dortch:

On February 26, 2007, the High Tech DTV Coalition filed comments in response to the Commission’s Ninth Notice of Proposed Rule Making in the above-captioned proceeding. Due to an administrative error, two attachments that were referenced in the Coalition’s comments were inadvertently omitted from that filing. Those attachments are being provided here for inclusion in the FCC’s record in this proceeding.

If you have any questions regarding this matter, please contact me on (202) 457-1110.

Sincerely,

/s/ Jeffrey J. Connaughton
