**Re: Notice of Ex Parte Communication
WT Docket No. 05-62**

Dear Ms. Dortch:

This is to advise that yesterday Richard C. Crawford, Director, Federal Government Affairs, Coors Brewing Co., spoke with Chairman Martin regarding the above referenced proceeding. Mr. Crawford stressed the importance of preserving exclusive use spectrum at 900 MHz for manufacturers and other industrial users, consistent with comments filed earlier in this proceeding by MRFAC, Inc., the National Association of Manufacturers, the Association of American Railroads, the American Petroleum Institute, and United Telecom Council.

An original and one copy of the letter are submitted for inclusion in the Docket.

Sincerely,

William K. Keane
