Re: Notice of *Ex Parte* Presentation in WT Docket No. 06-150

Dear Ms. Dortch:

On March 1, 2007, SpectrumCo LLC (“SpectrumCo”) representatives David Don, economic consultant Dr. Coleman Bazelon, and I met with Barry Ohlson, Senior Legal Advisor to Commissioner Adelstein, to discuss the above-captioned 700 MHz proceeding.

During the meeting, SpectrumCo’s representatives discussed the *ex parte* letter and the economic analysis previously filed in this docket on January 8, 2007. Specifically, SpectrumCo discussed the benefits of its proposed 700 MHz band plan, featuring a mix of geographic area licenses similar to the “building block” model used in the FCC’s successful Advanced Wireless Service auction.

Please contact me if there are any questions regarding this filing.

Sincerely,

*/s/ Michele C. Farquhar*
