Re: WT Docket Nos. 07-16 and 07-30 (M2Z Networks, Inc.)

Dear Ms. Dortch:

On March 5, 2007, I had two meetings in which the above-referenced matter was discussed: (1) Commissioner Deborah Taylor Tate and her Legal Advisor, Christopher Robbins, Esq. (2:30 PM), and (2) Commissioner Michael Copps and his Legal Advisor, Bruce Gottlieb, Esq. (4:30 PM).

I addressed the argument made in the first section of the March 1, 2007 *Amicus Curiae* Comments of the Minority Media and Telecommunications Council (on file in these dockets), which is that the participation of minorities in the senior management of a licensee should be considered as a plus factor in furtherance of the Commission's goal of promoting minority ownership, since participation in management is generally a necessary predicate to the attainment of ownership. See, e.g., TV 9, Inc. v. FCC, 495 F.2d 929 (D.C. Cir. 1973).

Sincerely,

David Honig

David Honig
