WT Docket No. 01-108
RM - 11355**

Dear Ms. Dortch:

On behalf of the Alarm Industry Communications Committee ("AICC"), this is to report that on March 8, 2007, the undersigned had a telephone conversation with Richard Arsenault of the Federal Communications Commission concerning the issues and arguments contained in AICC's January 31, 2007 Opposition to Motion to Dismiss and February 6, 2007 Reply Comments in the above-referenced proceedings. The undersigned also repeated AICC's indication that the alarm industry is willing to engage in discussions the cellular carriers aimed at negotiating a mutually agreeable AMPS transition plan, and minimizing any necessary extension of the AMPS sunset date.

In accordance with Section 1.12 of the Commission's Rules, please direct any questions or correspondence regarding this filing to the undersigned.

Sincerely,

/s/

John A. Prendergast
