Jeremy,  
It was a pleasure talking with you this morning. I hope you will feel better in the coming days.

Kindly withdraw my Petition For Reconsideration in the matter of DA 04-2976, submitted September 20, 2004.

I trust the Commission has addressed the fund carryover issue and continues to address the underlying reasons for the temporary program suspension of 2004.

Congratulations again on your promotion to Chief of the division. From our recent meetings I am impressed with the new Universal Service team.

Regards,

Greg Weisiger
