Subject: Itron equipment authorizations
Attachments: ITR equipment 902-28 MHz band.xls

As you requested in our meeting last week, here's the list of Itron authorizations for equipment that covers the entire 902-928 MHz band. My understanding is that an application for another will be filed sometime in the next two weeks. More are on the way.

LICENSEE	EQUIPMENT AUTHORIZATION	AUTHORIZED BANDS
ltron, Inc.	EO9PETRC	902.0-928.0
ltron, Inc.	EO960W	902.0-928.0
ltron, Inc.	EO9SPIRIT	902.0-928.0
ltron, Inc.	EO9DEC08	902.0-928.0
ltron, Inc.	EO953ESS	902.0-928.0
