Re: *In re Telecommunications Relay Services and Speech-to-Speech Services
for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123
Snap Telecommunications, Inc.'s Request for Limited Waiver of VRS
Interoperability Requirements*

Dear Ms. Dortch:

On July 14, 2006, Snap Telecommunications, Inc. ("Snap") filed the above-referenced request for a temporary waiver until March 1, 2007 ("Waiver Request") of the Commission's video relay services ("VRS") interoperability requirements in order to launch its VRS offerings while developing a technical solution to meet these requirements. This letter is to inform the Commission that Snap has now launched its VRS offerings and is in compliance with the Commission's VRS interoperability requirements. Accordingly, the Waiver Request is now moot, and Snap respectfully requests that the Commission dismiss it as such.

Thank you for your assistance and please do not hesitate to contact me should you have any questions about this matter.

Sincerely,

Francis M. Buono
Counsel for Snap Telecommunications, Inc.
