Re: WT Docket No. 06-150 (Service Rules for the 700 MHz commercial bands); PS  
Docket No. 06-229, WT Docket No. 96-86 (Commission Broadband Public Safety  
Proposal)

Dear Ms. Dortch:

On March 29, 2007, Carl W. Northrop of Paul, Hastings, Janofsky & Walker LLP, on behalf of MetroPCS Communications, Inc. ("MetroPCS"), participated in a telephone conference call with Angela Giancarlo, legal advisor to Commissioner McDowell. The oral presentation in this conference call was consistent with the pleadings and *ex partes* filed on behalf of MetroPCS in the above-referenced proceedings.

In addition, the oral presentation included a discussion of MetroPCS' opposition to the proposal by Frontline Wireless, LLC, which is reflected in greater detail in MetroPCS' reply comments in PS Docket No. 06-229 and WT Docket No. 96-86, filed March 12, 2007, and in the Response of MetroPCS Communications, Inc. to Untimely "Comments" of Frontline Wireless, LLC," filed March 26, 2007 in WT Docket No. 06-150.

This letter is being filed pursuant to Section 1.1206 of the Commission's rules. 47 C.F.R. § 1.1206.

Kindly refer any questions in connection with this letter to the undersigned.

Respectfully submitted,

/s/ Michael Lazarus
