Dear Ms. Dortch,

I am writing to you regarding your Notice of Ex Parte Communication regarding the AT&T and BellSouth Transfer of Control (WE Docket No. 06-74). As per this document, section titled : "Promoting Accessibility of Broadband Service", bullet number 3, regarding the combined company offering \$10 per month DSL, my question is, what is the merged company's plan for providing this service? My calls to their Customer Service number and internet inquires do not show this option as a service offering.

Please confirm that this requirement will be met as part of the merger agreement.

Sincerely,

Jeff Berenson
