Re: Docket No. 17-16; Petition for free wireless internet

Dear Secretary Dortch:

I represent the Second Plymouth and Bristol County District of the Commonwealth of Massachusetts. I write with reference to MZZ Networks and their application, Docket No. 07-16, filed at the end of January for free wireless internet.

This is a great idea and potentially wonderful opportunity for everyone. Their free internet service would help supplement existing online projects by providing free backhaul. Additionally, constituents would have more changes to participate in government and public life. Please consider the municipalities of the Commonwealth of Massachusetts and the great benefits that our constituents will derive from this free internet access.

Sincerely,

Senator Robert S. Creedon, Jr.
