Hello FCC,

I am very disappointed that any programs don't have any closed captioned sometimes, but I want to support to keep all programs like old programs and new programs and old movies and new movies and new programs and all news stations and deaf and hard of hearing actors/actress must have closed captioned/open captioned tv all the programs for new and old and new movies and old movies from now to the future plsu DVD/VHS must have all closed captioned/open captioned from now to the future. I want to support closed captioned TV to the future from now. I noticed that any programs and any news station don't show up to get closed captioned TV for missed sometimes for recently. so I want to keep closed captioned for programs and news and everythings. please don't omit for closed captioned TV by ADA's law. Please keep to have closed captioned TV programs/news/deaf/hard of hearing actors/actress with sign language communicate with closed captioned/open captioned any programs and movies and DVD/VHS also Comcast Cable TV programs and New Deaf People CABLE to the future like Deaf Festival for CABLE TV from now to the future. Thanks.
