FCC  
CC Docket # 02-6  
CC Docket # 94-45

To whom it may concern:

I am requesting an appeal on the following form:

Applicant name: West Bonner County School District

Billed Entity Number: 199447

Form 471 Application #: 539266

FRN: 1493549, 1493550, 1493551, 1493552, 1493553, 1493554, 1493555, 1493556, 1493557,  
1493558, 1493559, 1493560, 1493561, 1493562, 1493563, 1493564

The reason I am asking for a waiver is because I filed outside the window and then I received a letter from USAC stating that since I filed outside of the window that USAC is holding my application pending final review of the applications that were filed within the filing window. I thought I still had a chance at recovering funding.

I called to find out the status of my application only to be told that nothing is being done because I did not certify my application which I couldn't do since I had to hand file instead of doing it on the internet. I would like to certify my application and file to get reimbursed for year 2006.

I look forward to hearing from you soon.

Sincerely,

Brenna Steinborn, Technician
