Re: Notice of *Ex Parte* Meeting - IB Docket No. 06-137

Dear Ms. Dortch:

On April 13, 2007, Julie Reese, Deputy Director General and General Counsel, and Jose Toscano, Director of External Affairs, of the International Telecommunications Satellite Organization (ITSO) met with Barry J. Ohlson, Senior Legal Advisor to Commissioner Jonathan Adelstein.

The participants discussed the decisions of the 31st (Extraordinary) ITSO Assembly of Parties meeting, held March 20-23, 2007 in Paris, France, relating to the Section 316 Petition. ITSO's representatives urged the FCC to implement the recommendations of the Assembly of Parties and the Department of State to amend Intelsat's licenses to use the "Common Heritage" assets related to orbital locations and associated frequency spectrum.

Please contact the undersigned with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Julie A. Reese". The signature is written in dark ink and is positioned above the distribution list.
