**Re: Time Warner Cable Section 63.71 Discontinuance Application, WC Docket No. 07-76**

Dear Ms. Dortch:

On March 15, 2007, Time Warner Cable Information Services (Texas), L.P. d/b/a Time Warner Cable ("Time Warner Cable") filed a Section 63.71 application seeking authority to discontinue the provision of circuit-switched domestic telecommunications services to customers in the Dallas, Texas area.<sup>1</sup> The customer notice letter sent in connection with that application inadvertently included language drawn from the previous version of Section 63.71(a) of the Commission's rules, which recently was changed. On April 9, Time Warner Cable issued a further notice incorporating the amended language from the new version of Section 63.71(a). This revised notice letter is attached hereto as Exhibit A.

Please contact me if you have any questions regarding this matter.

Sincerely,

Stefanie Alfonso-Frank  
Counsel for Time Warner Cable
