EX PARTE PRESENTATION --Telecommunications Relay Services And Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123

Dear Ms. Dortch:

On April 24, 2007, Sprint Nextel met with members of the FCC's Consumer and Governmental Affairs Bureau (CGB), Wireline Competition Bureau (WCB) and Public Safety and Homeland Security Bureau (PSHSB). Representing Sprint Nextel were Paul Ludwick (by phone), Tracy Goddard, Rosemary Emmer, Joe Hurlbert, Scott Freiermuth and the undersigned. Representing CGB were Jay Keithley, Greg Hlibok, Cheryl King and Michael Jacobs. Representing WCB were Ann Stevens, Marilyn Jones and Ben Childers. Representing PSHSB was Carol Simpson. The purpose of the meeting was to enable Sprint Nextel to explain the numbering solution for VRS and other IP-based TRS services that Sprint Nextel and others have been championing before the NANC and INC. The enclosed document sets forth the broad outlines of that solution. Sprint intends to submit a more detailed explanation of the proposal into the record of this proceeding in the near future.

If you have any questions, please contact me.

Sincerely,

/s/ Michael B. Fingerhut
