Re: *Section 272(f)(1) Sunset of the BOC Separate Affiliate and Related Requirements (WC Docket No. 02-112)*

Dear Ms. Dortch:

At the request of William Dever, Deputy Chief, Competition Policy Division, Wireline Competition Bureau and on behalf of AT&T Mobility, LLC (f/k/a Cingular Wireless, LLC) ("AT&T") and its subsidiaries, I hereby authorize Commission staff to include in the record of the above-captioned proceeding Numbering Resource Utilization and Forecast ("NRUF") data previously filed by New Cingular Wireless, PCS LLC and/or its subsidiaries on or about February 1, 2007 (collectively, "Cingular NRUF Data").¹ This authorization is contingent upon the correctness of two understandings I have about how the Commission and staff intend to handle such data in this proceeding. First, I understand that such data will be aggregated by state, and that no Cingular NRUF Data that is less aggregated will be placed into the record of this proceeding. Second, I understand that such data will be treated as if AT&T had designated this information as Confidential pursuant to the *First Protective Order*² in this proceeding.

Had AT&T submitted state-level NRUF information in this proceeding directly, it would have designated such state-level information as Confidential. Even aggregated at

¹ AT&T also separately filed NRUF data on or about February 1, 2007 on behalf of Salmon PCS, LLC (OCN 897A), pursuant to a management agreement between Salmon and Cingular Wireless. AT&T Mobility, LLC acquired Salmon PCS LLC on October 11, 2006. This letter of authorization also covers the NRUF data filed on behalf of Salmon in 2007.

² *Section 272(f)(1) Sunset of the BOC Separate Affiliate and Related Requirements*, WC Docket No. 02-112, First Protective Order, DA 07-1387 (rel. March 23, 2007) (*First Protective Order*).

the state level, this information is commercially and financially sensitive and is proprietary information that AT&T does not in the normal course of business reveal to the public or its competitors.

Please let me know if you have any questions about this letter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Brian Linder".
