Re: WT Docket No. 06-150 (Service Rules for the 700 MHz commercial bands)

Dear Ms. Dortch:

On May 8, 2007, Carl W. Northrop of Paul, Hasthgs, Janofsky & Walker LLP, on behalf of MetroPCS Communications, Inc. ("MetroPCS"), participated in a telephone conference call with Angela Giancarlo, legal advisor to Commissioner McDowell. The oral presentation in this conference call was consistent with the pleadings and *ex partes* Wed on behalf of MetroPCS in the above-referenced proceeding.

In addition, the oral presentation included a discussion of MetroPCS' opposition to construction benchmarks tied to geographic service coverage for licenses to be granted in the 700 MHz commercial bands, which is reflected in greater detail in MetroPCS' *ex parte* filed April 17, 2007 in WT Docket No. 06-150.

This letter is being Wed pursuant to Section 1.1206 of the Commission's rules. 47 C.F.R. § 1.1206.

Kindly refer any questions in connection with this letter to the undersigned.

Respectfully submitted,

/s/ Michael Lazams
