Amendment to Sixth Hearing Aid Compatibility Report

RSA 1 Limited Partnership d/b/a Cellular 29 Plus and Iowa RSA 2 Limited Partnership d/b/a Lyrix (“Cellular 29 and Lyrix”), by their attorneys, hereby amend their November 15, 2006 Sixth Report detailing their efforts towards compliance with the FCC’s hearing aid compatibility requirements. In its Sixth Report, Cellular 29 and Lyrix reported that they offered the Motorola “343” handset model for sale. It was subsequently determined that, due to a typographical error, the handset model provided in the report was incorrect. The correct model number of the Motorola handset offered for sale is V323i (FCC ID – IHDT56GS1).

Respectfully Submitted,

RSA 1 Limited Partnership d/b/a Cellular 29 Plus
and Iowa RSA 2 Limited Partnership d/b/a Lyrix

Dated: May 10, 2007
