The information needed to complete the review is listed below.

For FRN 1454266 the documentation provided in the Item 21 Attachments is not sufficient to determine the eligibility of your request. Please provide a detailed list of the products and services you are requesting.

- the make and model of the product – a detailed list of all components for the PBX's
- documentation identifying the cost associated with the product/service and its component parts,
- a breakdown of the components that make up a product,
- documentation identifying the cost associated with the maintenance, installation, or warranty of ineligible equipment, etc.

Based upon review of your Form 471 application, we were not able to validate your requested discount percentages for:

Entity No.	Organization	Original Disc
117398	ST PAUL	90

5/8/2006

	ISLAND SCHOOL	
16023459	ST PAUL DISTRICT OFFICE	81

If you choose to validate your original requested discount percentages, then please provide the appropriate documentation if one of the following acceptable methods you used to calculate your discount:

a.) If the school participates in a National School Lunch Program (NSLP), please provide a signed copy (preferably by the Principal, Vice-Principal, Superintendent or chief school official, or Director of Food Services) of a Reimbursement Claim Form that the school sends to the state each month. Make sure that the following 3 items are identified:

- 1.) The Entity name
- 2.) The total number of students enrolled at the entity
- 3.) The total number of students eligible for Free/Reduced Lunch Program for the entity

If the school district fills out an aggregate claim form for the school district, also provide a signed letter from a school official (preferably the Superintendent or chief school official) that lists the enrollment and Free/Reduced information for each school in the district. The enrollment and Free/Reduced information provided in your letter should match the claim form.

h) If the discount percentage was determined by information obtained from a survey/application (National School (Free & Reduced) Lunch Application forms cannot be used as survey instruments), please provide the following information in Writing on school letterhead signed by a school official (such as the Principal, Vice Principal, Superintendent or Director of Food Services):

- 1.) Total number of students enrolled
- 2.) Total number of surveys/applications sent out
- 3.) Number of surveys/applications returned
- 4.) Total number of students qualified for NSLP per the returned surveys/applications
- 5.) Are the surveys/applications and results kept on file.
- 6.) Provide a sample copy of a FILLED OUT SURVEY/APPLICATION with the child's personal information crossed out for confidentiality.
- 7.) A signed certification that reads: "I certify that only those students who meet the Income Eligibility Guidelines of the National School Lunch Program have been included in Column 5 of Item 9a, of Block 4 of the Form 471."

c.) If the discount was determined using a different method than what was identified above, please indicate the method that was used and provide all relevant data

Please fax or e-mail the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all of the information requested so we can complete our review. Failure to do so may result in a reduction or denial of funding

along with the application number and/or funding request number(s), and the complete name, title and signature of the authorized individual.

Please send the required information within seven calendar days. If you need additional time to prepare your response, please let me know as soon as possible.
