

- On May 10, 2007 the Intelligent Transportation Society of America ("ITS America") filed a letter in this docket in support of NO CHANGE in the current rules, and explaining the ITS purpose and need of the LMS-M radio service.
- Telesaurus Holdings GB LLC (and affiliate LLCs and Foundation), members of ITSA, requested this letter of ITS America.
- The ITS America filing did not show up on ECFS on May 10, but showed up a day or two late, and thus may have been missed by parties monitoring this docket for new filings.
