Re: **WT Docket No. 01-108**
RM-11355

EX PARTE NOTICE

Dear Ms. Dortch:

This letter is to memorialize for the record in the above referenced dockets a meeting on May 17, 2007 between Lou Fiore of the Alarm Industry Communications Committee (AICC), John Koch and Steve Shapiro of ADT Security Services, Inc., Ron Rothman of Honeywell, Michael Meece of The Meece Group LLC, and John Prendergast of Blooston, Mordkofsky, Dickens, Duffy & Prendergast, LLP (on behalf of AICC), and Chairman Kevin J. Martin and Erika Olsen of the Commission. During this meeting, the attendees discussed the matters reflected in the *ex parte* presentation which was filed by AICC in the above proceedings on April 27, 2007. They further discussed AICC's ideas for significantly shortening the scope and length of any necessary extension of the analog sunset date, in a way that will help the alarm industry to transition the approximately 950,000 alarm radio customers still depending on the analog cellular system. AICC will promptly amend its Petition for Rule Making in the above proceedings to reflect a formal proposal for doing so.

Please direct any questions concerning the above matter to the undersigned at (202) 828-5540.

Sincerely,

John A. Prendergast
