

**IMPORTANT NOTICE**  
RE: XXX XXX-XXXX XXX

May 22, 2007

NAME 1  
ADDRESS 1 ADDRESS 2  
CITY, STATE ZIP

Dear NAME 1,

Until recently, Cat Communications ("CCI") had been providing your local telephone service over facilities of AT&T Texas pursuant to a specific contract with AT&T (the "contract"). As you may be aware, CCI is no longer able to provide your local telephone service.

Although it has no obligation under the contract to do so, unless AT&T (formerly SBC) stepped in, once CCI's account with AT&T was disconnected -- which occurred on March 27, 2007-- your local telephone service would have been disconnected, too. To prevent your service from being disconnected without notice from CCI, AT&T began providing local telephone service to you on March 27, 2007 for a limited transition period. The last day of this limited transition period will be May 31, 2007.

**Important:** You have a choice in selecting the local telephone service provider you want to provide service to you. To continue to receive service after May 31, 2007, you must arrange for local telephone service with one of the local telephone service providers in your area. You must contact the local telephone service provider you prefer to arrange for service to begin before May 31, 2007. Contact numbers for local telephone service providers in your area are available in your local telephone directory.

Should you wish to continue receiving AT&T service after May 31, 2007, please call our business office before that date. The telephone number for the AT&T business office (formerly SBC) in your area is available in your local AT&T White Pages directory.

**Remember,** you must have replacement service up and running before May 31, 2007. If you fail to have replacement service up and running before the limited transition service is disconnected, you may not be able to keep the same telephone number for use with replacement service established after the limited transition service has been disconnected.

If you have changed your local telephone service provider within one week prior to the date of this letter, please disregard this letter. **If you have any questions regarding this letter please call 1-800-667-1086 (press 3).**

Act now to prevent a disruption in your telephone service.

Sincerely,

Cheryl Becker  
Coach Manager  
AT&T Finance

## **AT&T TEXAS' TERMS AND CONDITIONS OF LOCAL SERVICE**

### **Rate Conditions**

Monthly rates for telephone line charges in the state of Texas vary depending on the area in which you live. The Public Utility Commission (PUC) of Texas determines the rates based on the number of telephone lines in a specific serving area. Monthly rates for optional services are the same through out the state. **All rates and charges are subject to change.**

### **Telephone Line Options**

AT&T Texas offers *Measured* and *Flat Rate* line service. **Rates do not include taxes; surcharges, municipal fees or FCC approved line charge.**

*Measured* service has the lowest monthly rate. This service best serves customers who make very few outgoing local calls. A local call is defined by tariff as "a communication between telephone stations located within the area defined as the local service area of the station from which the message originates. Only completed calls to the called number count against the 25-call allowance. Long distance calls and auxiliary calls such as 911, 411, 0+, directory assistance, repair; calls to the local business office etc. are not counted against the allowance. Additional calls are billed at \$.08 per call. For residential customers, the monthly rates range from \$4.10 to \$5.55. For business customers, the monthly rates range from \$12.30 to \$18.45.

*Flat Rate* service provides you with unlimited local calling. For residential customers , the monthly rates range from \$8.15 to \$11.05 for AT&T Texas' touch-tone one-party flat rate service. For Business customers, the monthly rates range from \$19.25 to \$28.25 for AT&T Texas' touch-tone one-party flat rate service. Lifeline Telephone Service is also available for residential customers, ask your AT&T representative for details.

### **Optional Services**

In addition to the basic line service, AT&T Texas offers optional calling services. These services are also available in packages for cost savings. Contact the AT&T Texas business office in your area or access [www.AT&T.com](http://www.AT&T.com) for package availability and prices.

### **More information**

You may find more information about AT&T services and your rights as a customer in the AT&T White Pages. If you need a directory, please call 1-866-877-1070 (residential customers) or 1-888-481-0367 (business customers).
