

Upcoming AUCTION: DO RIGHT by the AMERICAN citizen

FCC:

Your duty to serve us, the American citizen, and OUR interest, NOT big corporate lobbyists and their masters. DO WHAT IS RIGHT BY US. We are not stupid. Words mean nothing. SHOW ACTION and DO what is right by the citizens of America.

Please ensure that the upcoming auction sets aside at least 30 MHz of spectrum for open and non-discriminatory Internet access. This will guarantee that new entrants have the opportunity to enter the market in competition with incumbent providers.

We need more competition and innovation, not more of the same. This new wireless spectrum must be open and neutral so that America can build a better Internet for everyone.

Sincerely,  
Kevin Ragland
